

SUMMER IN THE CITY

A NEW APPROACH TO SUMMER LEARNING

June 2017

DON'T MISS THESE INCREDIBLE FREE EVENTS COMING UP!

Meet an Astronaut. Ride a Hovercraft. Explore our Waterways. And Join the one-and-only Bill Nye at the 10th Annual World Science Festival. Please help us spread the word about our **FREE** Youth and Family programs to your students, parents, and teachers with the attached flyers.

If you have any questions about The World Science Festival or if you're interested in learning more, you can contact us at education@worldsciencefestival.com or visit our website at www.worldsciencefestival.com.

Thank you and we hope to see you and your school at the World Science Festival from May 30th-June 4th!

FREE YOUTH AND FAMILY EVENTS

SATURDAY NIGHT LIGHTS: STARGAZING

SATURDAY, JUNE 3, 7:00 PM-11:00 PM | BROOKLYN BRIDGE PARK, PIER 1

Brooklyn Bridge Park lights up the night's sky with high-tech interactive and stargazing activities! Join **Bill Nye the Science Guy** for a Q&A session and book signing. Then, take part in UP! Umbrella Project, a participatory experience created by Pilobolus in collaboration with MIT Distributed Robotics. Astronauts Yvonne Cagle and Leland Melvin will also be on hand for space exploration and autograph signing.

THE GREAT FISH COUNT

SATURDAY, JUNE 3 | 17 LOCATIONS IN NY AND NJ

New York's waterways are wilder than you think. From Lemon Creek in Staten Island to the shores of Fort Washington Park. Join top ecologists and biologists to discover the underwater world in New York's backyard.

ULTIMATE SCIENCE SUNDAY

SUNDAY, JUNE 4, 10:00 AM-6:00 PM | NYU KIMMEL CENTER

Ride a hovercraft, control an underwater rover, and face off with virtual reality dinosaurs. This is Ultimate Science Sunday, an action-packed day of robots, catapults, wind tunnels, telescopes, and so much more.
