

**Department of  
Education**

Chancellor Richard A. Carranza

**Waiver of Chancellor's Regulation A-660  
For Monthly Meeting Requirement**

Chancellor's Regulation A-660 Section I.I requires PA/PTAs to hold at least nine monthly general membership meetings per school year, and states that executive board meetings should be held on a monthly basis during the school year. Chancellor's Regulation A-660 Section II.G. requires Presidents' Councils to hold at least nine monthly general membership meetings per school year. PA/PTA general membership meetings must be open to the public.

The health and safety of all students, staff, and families is the DOE's first priority in the wake of the evolving situation around the novel coronavirus (COVID-19) in New York City. In an abundance of caution and in light of this situation, I am waiving the monthly meeting requirements for PA/PTAs and Presidents' Councils.

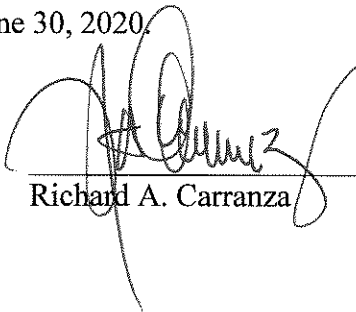

I hereby waive the provisions in Chancellor's Regulation A-660 Section I.I requiring PA/PTAs to hold at least nine monthly general membership meetings per school year, and stating that executive board meetings should be held on a monthly basis during the school year.

I also hereby waive the provisions in Chancellor's Regulation A-660 Section II.G requiring Presidents' Councils to hold at least nine monthly general membership meetings per school year.

This waiver shall be in effect until and through June 30, 2020.
